

FOR THE RAILROADS.

Judge Gill's Ruling in a Town Tax Case.

Muskogee, I. T., March 27.—Judge Joseph Gill rendered a decision at the Wagoner term of the federal court in the case of the St. Louis, Iron Mountain & Southern railway against the incorporated town of Nowata which covers questions not touched by the recent decision of Judge Townsend of the Southern district, but in each case the decision is in favor of the railroad company.

The town of Nowata was enforcing taxation and was enjoined. Judge Gill's opinion declares that the unit system of assessment of railroad property in Arkansas, where the total value of the property of a railroad is determined and the proper proportion certified to each county or municipality by an established authority, makes the law impossible of operation in the Indian Territory, and the opinion closes with this statement:

"That in order for this court to hold that municipal corporations within the Indian Territory can tax railroad property, consisting of right-of-way and buildings thereon, the court would have to devise some special scheme of valuation for the entire Territory, which is clearly beyond the power of the court, and therefore the injunction in this case must be upheld and made perpetual."

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. City Drug Store, W. B. Like Oliver Twist, children ask for more when given One Minute Cough Cure. It quickly cures all coughs and colds and every throat and lung trouble. Mothers endorse it for croup. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough. City Drug Store, W. B. Frame Prop.

Children often inherit feeble digestive power and colic of a more or less severe character results, when food is taken which is at all difficult to digest. White's Cream Vermifuge acts as a general and permanent tonic. Price 25 cents. W. B. Frame, City Drug Store.

Prof. Ivison, of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. Allotting Agents Arrive.

Anadarko, I. T., March 27.—Judge Kirkpatrick and the other two allotting agents are at this place today in compliance with orders from the interior department to report to Col. Randlet and perfect arrangements to commence work. The allotting agents will spend some ten days in looking over the lands to be allotted before beginning the actual work.

Secretary Hitchcock intends that the work shall be done quickly and to this end empowered the allotting agents to buy or hire everything necessary. This authority frees the agents from red tape, and will greatly aid them in pushing the work to a quick finish.

A Good Cough Medicine for Children. "I have no hesitancy in recommending Chamberlain's Cough Remedy," says E. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contains no opium or other harmful drugs. Sold by City Drug Store and F. J. Ramsey."

They say Mars is a funny world. If it is funnier than this one it must be a freak.

If troubled with rheumatism, give Chamberlain's Pain Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, gunnsey, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts. City Drug Store and F. J. Has Sixteen Wives Living.

Parkersburg, W. Va., March 27.—George Washington Anderson, aged 68 years, has been sent to the poorhouse by his seventeenth wife, who, when she learned he had sixteen other wives and all of them living, decided he had no claim on her. Mrs. Martha Jenkins, widow of a soldier living at St. Mary's, owning her home and drawing a pension, was 74 last birthday and she met Anderson and they came here and were married. Anderson said he had a \$40 pension and Mrs. Jenkins was willing to give hers up, so they lived in Mrs. Jenkins' house, but in Anderson's name.

When pension time came Mrs. Anderson became suspicious. She accused her husband, who having become ill, of deceiving her, and in his defense he became mixed and admitted he had been married before. He was very feeble and little by little the woman wormed out of him that he had several wives living.

Mrs. Anderson bundled him off to the poorhouse, entered suit for divorce and the restoration of property. Anderson has written a confession, giving the names and dates of sixteen subsequent marriages. The ages of the wives range from 23 to 75 and are scattered over ten states. All were married for their money and except his first wife, who died thirty years ago, are living. The bigamous marriages were all contracted within ten years.

Deafness Cannot be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or an imperfect hearing, then it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Female Weakness Cured.

I was troubled with severe female weakness for over six months. I was treated by six very prominent physicians without any marked benefit. My last doctor was a skilled specialist, and he told me the only hope lay in an operation. I heard of Smith's Sure Kidney Cure, and after using it for one month I find myself cured, and even the doctor who last treated me now pronounces me well. MRS. J. R. FAVER, Atlanta, Ga.
